

**Declaration of Non-Use of Asbestos in
CertainTeed Roofing Products**

Technical Information Sheet # 256

Created or Revised Date: 4/24/2017– Status: Current

To Whom It May Concern:

Since the mid-1970's, asbestos and polychlorinated biphenyls (PCB's) **have not been** used as an ingredient in any of CertainTeed's asphalt roofing shingles, roofing sheet or ply products. Furthermore, asbestos containing materials are not used in any products currently produced by CertainTeed Corporation.

Thank you for considering CertainTeed products and please do not hesitate to contact us if you have any further questions concerning the health or environmental aspects of our products.

Sincerely,

Technical Services Department
CertainTeed Roofing
